### Welcome to Mohanlal & Sons Group

Since 1972, we have been at the forefront of India's natural stone industry. From our roots in Bijolia, Rajasthan, we have grown into a diversified business group operating across multiple sectors including mining, hospitality, and infrastructure development.

Our commitment to quality, innovation, and sustainable practices has made us a trusted partner for clients across 15+ countries worldwide.

# ABOUT MOHANLAL & SONS GROUP

## Our Heritage

Established in 1972, Mohanlal & Sons Group began its journey as a mining enterprise in the stone-rich region of Bijolia, Rajasthan. Over five decades, we have evolved into a diversified business conglomerate while staying true to our core expertise in natural stone extraction and processing.

Today, we stand as one of Rajasthan's leading mining groups, operating 20+ quarries and exporting to 15+ countries across the globe. Our expansion into hospitality and infrastructure development reflects our commitment to sustainable growth and community development.

### Our Vision

To be a globally recognized leader in natural stone mining while diversifying into complementary sectors, always maintaining the highest standards of quality, sustainability, and ethics.

### Our Mission

Deliver premium quality natural stones through sustainable mining practices, foster community development through our hospitality initiatives, and build lasting relationships with our clients.

## Our Core Values

- **Quality First**      Uncompromising standards in everything we do
- **Sustainability**      Responsible mining and environmental stewardship
- **Innovation**      Embracing technology and modern practices
- **Trust**      Building lasting relationships through integrity
- **Excellence**      Continuous improvement in all operations

## Key Statistics

# SANDSTONE

Natural Stone Products

[SANDSTONE Product Image]

## Description

Premium quality sandstone available in various colors, textures and finishes. Ideal for architectural and decorative applications. Durable, weather-resistant, and aesthetically versatile.

### Applications

- Building facades and cladding
- Flooring and paving
- Garden landscaping
- Interior wall features
- Monuments and sculptures
- Architectural details

### Technical Specifications

<b>Density:</b>	2.2 - 2.6 g/cm <sup>3</sup>
<b>Compressive Strength:</b>	20 - 170 MPa
<b>Water Absorption:</b>	< 5%
<b>Finishes:</b>	Natural, Honed, Polished
<b>Sizes:</b>	Custom as per requirement
<b>Colors:</b>	Multiple varieties

# SANDSTONE VARIETIES

Premium Collection

[SANDSTONE VARIETIES Product Image]

## Description

We offer an extensive range of sandstone varieties sourced from our premium quarries. Each variety is carefully selected for superior quality, consistency, and aesthetic appeal.

### Applications

- Red sandstone - Classic appeal
- Yellow sandstone - Warm tones
- Brown sandstone - Earthy elegance
- Gray sandstone - Modern aesthetics
- Multicolor sandstone - Unique patterns
- Mint sandstone - Fresh look

### Technical Specifications

<b>Quality Grade:</b>	Export Quality
<b>Surface Finish:</b>	As per specification
<b>Thickness:</b>	10mm to 200mm
<b>Applications:</b>	Universal
<b>Availability:</b>	Year-round
<b>Export:</b>	Worldwide delivery

# LIMESTONE

Industrial & Construction

[LIMESTONE Product Image]

## Description

High-grade limestone for industrial, construction, and agricultural applications. Available in various grades and specifications to meet diverse requirements.

### Applications

- Cement manufacturing
- Steel production
- Construction aggregate
- Road construction
- Chemical industry
- Agricultural lime

### Technical Specifications

<b>CaCO<sub>3</sub> Content:</b>	85% - 98%
<b>Brightness:</b>	High grade
<b>Grades:</b>	Multiple specifications
<b>Size Range:</b>	As per requirement
<b>Processing:</b>	Crushing, grinding
<b>Packaging:</b>	Bulk or bagged

# LIMESTONE GRADES

Custom Specifications

[LIMESTONE GRADES Product Image]

## Description

Our limestone products are available in various grades and specifications tailored to specific industrial requirements. We ensure consistent quality through rigorous testing.

### Applications

- High calcium limestone
- Dolomitic limestone
- Chemical grade limestone
- Construction grade
- Agricultural grade
- Specialized applications

### Technical Specifications

<b>Purity Levels:</b>	Up to 98% CaCO <sub>3</sub>
<b>Mesh Sizes:</b>	0-10mm to 200 mesh
<b>Whiteness:</b>	High brightness
<b>Testing:</b>	Lab certified
<b>Supply:</b>	Continuous availability
<b>Quality:</b>	ISO standards

# QUARTZITE

Premium Hard Stone

[QUARTZITE Product Image]

## Description

Exceptionally hard and durable quartzite with stunning natural patterns. Perfect for high-end applications requiring strength and aesthetic appeal.

### Applications

- Kitchen countertops
- Bathroom vanities
- Wall cladding
- Flooring (high traffic)
- Exterior facades
- Decorative features

### Technical Specifications

<b>Hardness:</b>	Mohs 7
<b>Compressive Strength:</b>	> 200 MPa
<b>Water Absorption:</b>	< 0.5%
<b>Finishes:</b>	Polished, Honed, Flamed
<b>Slabs:</b>	Large format available
<b>Durability:</b>	Exceptional

# QUARTZITE COLLECTION

Luxury Stone Range

[QUARTZITE COLLECTION Product Image]

## Description

Our quartzite collection features stunning varieties with unique veining and color patterns. Each piece is a work of natural art, perfect for luxury residential and commercial projects.

### Applications

- White quartzite - Elegant clarity
- Gray quartzite - Sophisticated tones
- Pink quartzite - Warm ambiance
- Green quartzite - Natural serenity
- Multi-color quartzite - Dramatic appeal
- Exotic quartzite - Premium selection

### Technical Specifications

<b>Selection:</b>	Hand-picked blocks
<b>Processing:</b>	Advanced machinery
<b>Finish Quality:</b>	Mirror polish
<b>Size Options:</b>	Custom cutting
<b>Applications:</b>	Premium projects
<b>Support:</b>	Technical consultation

# GRANITE

Versatile Natural Stone

[GRANITE Product Image]

## Description

Durable and elegant granite in various colors and patterns. Suitable for both residential and commercial applications with exceptional longevity.

### Applications

- Kitchen countertops
- Flooring tiles
- Wall cladding
- Monuments
- Paving stones
- Architectural elements

### Technical Specifications

<b>Density:</b>	2.6 - 2.8 g/cm <sup>3</sup>
<b>Hardness:</b>	Mohs 6-7
<b>Water Absorption:</b>	< 0.4%
<b>Finishes:</b>	Polished, Flamed, Brushed
<b>Sizes:</b>	Tiles, slabs, custom
<b>Colors:</b>	Wide variety

# GRANITE VARIETIES

Color & Pattern Options

[GRANITE VARIETIES Product Image]

## Description

Extensive granite collection featuring popular and exotic varieties. From classic blacks to vibrant reds, we offer granite to suit every design requirement.

### Applications

- Black granite - Timeless elegance
- Red granite - Bold statement
- Gray granite - Contemporary style
- Brown granite - Warm aesthetics
- White granite - Clean modern look
- Multi-color granite - Unique character

### Technical Specifications

<b>Origin:</b>	Premium quarries
<b>Quality:</b>	Export grade
<b>Processing:</b>	Modern facilities
<b>Customization:</b>	Full range
<b>Delivery:</b>	Global shipping
<b>Service:</b>	End-to-end support

# MINING OPERATIONS & INFRASTRUCTURE

[Quarry Operations / Mining Site Images]

### 20+ Active Quarries

- Strategic locations across Bijolia region
- Modern extraction equipment and machinery
- Experienced mining professionals
- Systematic extraction planning

### Processing Facilities

- State-of-the-art cutting and finishing units
- Quality control laboratories
- Custom sizing and finishing capabilities
- Bulk processing capacity

### Sustainability Practices

- Environmental impact assessment
- Responsible mining methods
- Land restoration programs
- Safety-first approach

# GLOBAL EXPORT & REACH

## Our Global Presence

**15+**  
**Countries Worldwide**  
Active export to major markets

**1000s**  
**Tons Exported**  
Annual export capacity

**24/7**  
**Logistics Support**  
Seamless delivery worldwide

## Export Services

- Custom sizing and finishing as per international standards
- Complete documentation and export compliance support
- Reliable logistics partners for seamless shipping
- Quality assurance and inspection certificates
- Dedicated export sales team for customer support
- Competitive pricing and flexible payment terms

# HOSPITALITY DIVISION

Purpose-built student accommodation and food services in Kota leverage the city's stature as a leading educational hub, offering dependable infrastructure for long-term residents, strengthened by Mohanlal & Sons' decade-long legacy in the hospitality sector.

# HOTEL MANAGEMENT

Professional hotel operations and guest accommodation services leveraging our hospitality expertise

# INFRASTRUCTURE & DEVELOPMENT

[Infrastructure / Mall Development Images]

Expanding beyond our core mining business, we are developing commercial and retail infrastructure that serves the growing needs of Bijolia and surrounding regions. Our infrastructure projects combine modern design with functional excellence.

**Mall Development**

Modern retail and commercial spaces

**Real Estate**

Residential and commercial properties

**Commercial Spaces**

Office complexes and business centers

# AUTOMOTIVE & ENERGY

[Automotive / Energy Sector Images]

## Diversified Business Ventures

As part of our strategic diversification, we are exploring opportunities in the automotive and energy sectors. These ventures represent our commitment to sustainable growth and adaptation to evolving market demands.

### Automotive Sector

Exploring opportunities in automotive services and related businesses.

Focus areas under development:

- Dealership operations
- Service centers
- Auto parts distribution
- Fleet management solutions

### Energy Sector

Venturing into sustainable energy solutions and related services.

Potential areas of engagement:

- Renewable energy projects
- Solar installations
- Energy distribution
- Power solutions

### Future Outlook

These emerging verticals represent our vision for sustainable, diversified growth. While mining remains our core strength, we are committed to exploring new opportunities that align with our values of quality, innovation, and community development.

# QUALITY & CERTIFICATIONS

## Our Commitment to Excellence

At Mohanlal & Sons Group, quality is not just a goal—it's our foundation. From our mining operations to hospitality services, we maintain the highest standards through rigorous quality control, modern technology, and continuous improvement initiatives.

## Certifications & Standards

[ISO Certification]

[Quality Standards]

[Safety Certifications]

[Export Compliance]

## Sustainability & Responsibility

- Environmental impact assessment and mitigation in all mining operations
- Responsible extraction methods that minimize ecological disruption
- Active land restoration and rehabilitation programs
- Community development initiatives in Bijolia and surrounding areas
- Worker safety as our top priority with comprehensive training programs
- Ethical business practices and transparency in all operations
